ATH AND RESERVED Wellington Street, No. 2183. the Hong king 20th August, 1864: It is respectfully announced to the Public that the und amentioned shop was established in March hist 1864 at Honein, on the left side of Cam-la Temple and in the building of Shew-shing, Eurepean goods shop, where Nanking Porcelain Jura adapted for holding sweetments, are made for sale, the price in 8 cents each. These Nanking Porcoloin Jars are far the hest that can be used fo containing sweetmests, for exportation to Great Britain and America, as the sweetmeats in them are kept nit tight without ever being spoiled or changed hat the present time, most of the sweetment

shops use Canton earthern lars instead of Nanking Porcelain for containing sweetments, because the price of the Canton carthern Jure is only 2 cents ench. Although the prices of the two kinds of jar above mantioged oro far different, the latter kind will not keep the sweetmeats from being changed or speiled, because they are not so well made as the former kinds Honsin, Canton. 3w Canton, 22nd August, 1864.
